Childs Name \_\_\_\_\_

I, being the Parent/Guardian of the above-named child accept full responsibility for the application of sun block cream as I deem necessary. I agree to apply it at home before my child arrives at Nursery. I accept that this is not the responsibility of the Nursery staff.

### **PLEASE TICK THE APPROPRIATE BOX**

I would like sun block cream provided by the Nursery to be re-applied if my child is going outside in the afternoon.

I will be providing my child's own sun block/cream for use in the afternoon.

My child only attends mornings/afternoons\* and the application of sun cream at Nursery will not be necessary.

I understand that my child will be unable to go outside without a sunhat.

I am willing/not willing\* to provide a sunhat to be kept at the Nursery.
