PRIVATE ORTHODONTIC TREATMENT
FOR ADULTS

FLEXIBLE • CONVENIENT • AFFORDABLE

Private Treatment for adults

Affordable private orthodontic treatment is now increasingly popular and available to everyone.

We have a wide range of services to suit you, all of which come with the reassurance of our excellent care and commitment.

THE OPTIONS + BENEFITS

Metal Braces

Made of modern materials that are lighter, more comfortable to wear and can give quicker results.

Clear Tooth Coloured Brackets

Allow you to show your smile rather than your braces - an aesthetic approach chosen by some well known celebrities.

Invisalign

Almost invisible aligners, custom made from a mould of your teeth. Each set is worn for approx. two weeks. Removable so you can eat, brush and floss with ease. Does not compromise your lifestyle too much.

Lingual Brackets

Lingual (behind the teeth) brackets are the perfect choice for people who want to change their smile without everyone knowing - they are completely invisible.

BENEFITS

- Treatment of all irregularities possible.
- Treatment can be started immediately.
- Flexible appointment times to suit you.
- Regular monitoring throughout your treatment.
- Choice of aligners and brackets.
- Treatment tailored to your lifestyle.
- 0% interest available (conditions apply).
