Prints on canvas make beautiful and very special presents. In the past canvas printing has only been available to professional photographers, but now we are making this service available to everyone at realistic prices.

We can enlarge your photo (either digital or print/negative) and stretch it over a timber frame ready for hanging.

Please bear in mind any imperfections in your original photograph will still be there in the enlarged print. Digital images should be of a suitable size for the degree of enlargement requested.

You can email your order and original to: [info@photographics.co.uk](mailto:info@photographics.co.uk). On receipt of your order we will send an acknowledgement which will include details of how you can pay us with your paypal account.

Alternatively you may prefer to send your original and cheque to us at: Photographics, Unit 5 Hill Farm Avenue Industrial Estate, Watford WD25 7SD. Telephone: 01923 894591.
