Public access between the Sainsburys shopping development and Mill Street would be improved if Angel Walk was useable. Bill Atkinson of Bushbuy had advised that it was likely to be 4 to 6 months before it would be opened.

Consideration was being given to improving the look of empty shops by dressing their windows with display boards. An estimated cost for the Woolworth shop was almost £1000. It was agreed to write to the owners of empty shops requesting that action be taken to improve the appearance of the shops. **Action: Clerk**

There was a need to pursue actions that encouraged shoppers to walk to the Market Place from the Sainsburys car park. The introduction of notice boards and direction signs would assist. There was a need to conduct a survey to assess signing for both cars and pedestrians throughout the town. "You are here" maps could assist. It was agree to investigate whether consultant help could be enlisted to attend to this. The clerk was to seek the advice of Oxfordshire County Council. **Action: Clerk**
