

Big Bin & Liners

Big Bin is a high volume waste and recycling bin. Use in offices, Graphic Studios, Computer Rooms, Warehouses, Photocopying Room, Schools, Universities. Produced from 80% recycled & biodegradable board, it comes flat packed and is easy to assemble.

The clear (re-usable) bin liner can be used in conjunction with 'Big Bin' or other high volume bin products. Liners are on a continuous roll with tear off perforations for easy dispensing and storage. The see through liners enable you to clearly identify the waste contents of the bin.

Bin Size: **Height:** 900 mm **Width:** 450mm
Capacity 160 litres

Green Bin & Liners

Having been established on the market for a number of years and being used by the paper recycling industry, we are now seeing much more awareness amongst office employees with regards to recycling. When it comes to recycling it is all about presentation and communication

This product offers low cost entry into any waste recycling initiative, whilst enhancing the office environment with a practical and fun to use product.

The optional (re-usable) clear Green Bin Liners prolong the life of the bin, whilst enabling the contents to be easily removed and identified as 'Recycled' Waste and not 'Landfill' Waste. Green Bin Liners come on a continuous roll with tear off perforations which help with storage and dispensing.

Height: 677mm **Width:** 360mm
Capacity: 60 litres
