

Calendar Competition

A St Michael's Calendar? We need photographs of St Michael's church and church events.

Starting from this month (October) please submit ONE image per month. They need to be landscape format, as a print or digital image. If a print you must have the negative in good condition, digital images can be submitted low resolution or print. A high resolution image must be available; in both cases you must own the copyright. Please link the image to the month, e.g. no snow in June or daffodils in November!

A small panel of judges, including the local professional photographer Harry Hall, will chose the image for each month.

Next year (2012) one image from the 12 will be chosen by you for the front cover, and the winner will receive a copy of the calendar signed by Rachel and a signed certificate.

Please use the entry form opposite. Each entry must be accompanied by an entry form. Please send digital images to stmichaelandstpaul@btconnect.com marked "Calendar Competition" and prints in the box provided at the back of church. All images must be submitted by the 28th of the month, any late entries will be disqualified. Happy Snapping!

Calendar Competition Entry Form

Only one image per person per month may be submitted. Each entry is to be submitted with an entry form, no later than the 28th of each month. Late entries will be disqualified.
