

SWITCHON

DOES YOUR CRICKET CLUB NEED MORE CASH?

Switch On is a fantastic new initiative from the ECB designed specifically for the club network. It allows you to save money on your energy bills while raising cash direct for the club.

It's free, it saves the switcher money and every switch that is made raises money for the club. It's a fundraiser like no other. The cash we raise can be used for anything we want - the more of us who switch, the more money we make.

We are asking all our members to support the Switch On campaign so our club can raise direct funds that will benefit your cricket club experience.

Just click through to the ECB's Switch On website below for more information and let's start earning the club money now.
