

World No Tobacco Day 31 May 2006

Tobacco kills millions of people
across the Commonwealth each year

Tobacco is deadly in **any** form and **any** disguise

Cigarettes,
pipes, bidies,
kreteks,
clove cigarettes,

snus, snuff,
smokeless,
cigars...

Mild, light, low tar,
full flavour,
fruit flavoured,
chocolate flavoured,

natural, additive-
free, organic
cigarettes,

PREPS (Potentially
Reduced-Exposure
Products),
harm-reduced...

All of these are **deadly** and **addictive**
