1. An initial summary was brought, showing some statistics from the first 74 returned surveys. Though this summary is only a page long, the complete summary to be sent to Connexions will be about six pages.
2. QEGS and St Mary's are not going to participate in the survey.
3. We are expecting to receive around 200 - 250 completed surveys:

Youth Service 75
Nightsafe 30
Groundwork 80
Brook 50
Sue Lindsey 15

4. Apollo 5 Cinema has been contacted regarding £5 vouchers, which JS is to follow up.
5. In regards to the launch event, Northcote Offsite have been asked to arrange facilities at Ewood Park for us, on the 27th June. We hope to include workshops and speakers. To be included in the guest list are groups such as:
 - Nightsafe
 - Brook
 - SELF
 - Groundwork
 - Connexions
 - School Nurses
 - Practice Nurses
 - GP's
 - Schools / Teachers (PHSE)
 - Colleges
