

MISSION STATEMENT

Lancashire Friend is a voluntary organisation that serves the lesbian, gay and bisexual community throughout the North West.

We exist to promote, support and campaign for the social and emotional well-being, physical and sexual health of lesbian, gay and bisexual people and those who are unsure of their sexuality.

We offer counselling and support services which set out to explore issues of same sex- relationships, sexual identity and promote personal growth and self confidence. We also provide a safe environment to meet and socialise.

Lancashire Friend aims to offer equality of access and opportunity to all its service users and volunteers.
