Latest News for our Customers

We have further improved our selection this year with the addition of 2 new varieties:-

Sweet Pea:- We thought we might offer a bit of a low cost novelty this year by offering something that is not a bedding plant! Train your Sweet Peas onto a plant support or net to create a really impressive column of fragrant summer colour. Or they make excellent cut flowers. We've also seen some brilliant 'sweet pea' hanging baskets! Got to be worth a try!

Dahlias:- Create a blaze of summer colour with this mixture of classic dwarf bedding dahlias. The dazzling double and semi-double blooms are perfect for making an impact in a summer border or on your patio!

Variety of Trailing Basket/Tub Plants:- Customer feedback tells us these are really good value producing great results!

Don't forget!! - we will be selling Autumn/Winter Plants again. If you are interested in ordering with us, then tick the box (bottom corner) and we'll contact you at the appropriate time

The Air Cadets is a youth organisation for air minded young people.

If you would like to know more about our Squadron, please do **visit our website** or our HQ or telephone the Squadron on a Wednesday or Friday evening between 7.15pm and 9.30pm on Congleton (01260) 299882.
