

## Royston Train Station 2012 Project

Royston Volunteer Centre are delighted to be working as part of the Royston 2012 Committee with Royston in Bloom, to create a sign at Royston Train Station to celebrate Royston's readiness for 2012 - a year of Celebrations for the town.

Working with generous help and funding from First Capital Connect, Royston Country Gardens, Royston in Bloom, Royston Area Committee and Johnson Matthey, the team will be planting a display of shrubs and round slabs in the Olympic medal colours of Gold, Silver and Bronze around a large sign displaying the 2012 Logo and the words "Welcome To Royston 2012 A Year Of Celebrations" on the bank by the side of platform 2 to Cambridge. The volunteers will be carrying out the work on the 17th September and the official opening will take place on the **6th October** to which the whole community is invited.
