

Xmas Saver Account

Every year our members save tens of thousands of pounds into Xmas Saver accounts. Why not join them?

Save regularly through the year, pay in extra when you can – you'll feel the benefit at Christmas.

This account is separate to the Share Account. To help members build up a pot of cash for Christmas withdrawals are only allowed from 1st November to 31st December. No fussing with vouchers or stamps – just cash to spend wherever you like!

Look how much you can save: **if you put away £50 a month from January to October you'll have £500 cash to spend in November!**

Unlike Christmas Clubs, Voucher Schemes and Supermarket Saving Stamps, all of your savings are covered by the Financial Services Compensation Scheme (FSCS).

If you are already a member of the credit union, simply complete the application form and return to Stockport Credit Union. Non-members should fill in an Adult Application form as well. You will need ID, a joining fee of £1.20 and £1 to start saving. Call us for details!

To pay in, set up a standing order or pay in at our collection points. Some local employers allow you to save for Christmas directly from your salary – a list of these is on the Employers page of our website.

Xmas Saver Account Application

Please complete and return to Stockport Credit Union, First House,
367 Brinnington Road, Stockport SK5 8EN 0161 430 5808
